

Brainstorm

Write down any ideas that come to mind that address your problem statement.

Shreeya Mane

Data
Collection &
Cleaning

Import dataset into Power BI

Handle missing values & nconsistencies

Format data for analysis

Create line charts for inflation trends

Visualization & Dashboard Design Add interactive filters for user selection

Design heatmaps for regional variations

Tanvi Kanase

Analysis & Insights

Identify key inflation drivers

Compare inflation trends across countries

Evaluate economic crisis impact

Predictive
Insights &
Documentation

forecasting methods if feasible

Document findings & recommendations

Prepare final report & Power BI presentation

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

① 20 minutes

TIP

Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.
